Pricing

Website Feature	Time Required	Cost Estimate
Front End Design	30 working days	40,000 INR
Back End Development	35 working days	50,000 INR
Deployment	03 working days	4,000 INR/1 Year

Note that the Deployment cost mentioned above is the price you pay for hosting and goes directly to the concerned hosting company. The cost is not charged by the developers and the service to provide deployment is provided free of cost for the project. Time Required is an estimated/approximate number of working days.

This quotation is subject to mutually acceptable and agreed terms and conditions of payment of the total price 20% upfront before the start of the project, 30% upon completion of Milestone 1, 30% upon completion of Milestone 2 and 20% upon completion of development before hosting.

Milestones yet to be discussed.
